

Department 35 – Educational and School Exhibit

Requirements:

- School booth displays may represent an entire school building or a subject matter taught within a school, and are limited to one entry per school building.
- Subject matter exhibits may be in the field of Art, Civics, Crafts, Geography, History, Family and Consumer Science, Technical Education, Agricultural Education, Languages, Mathematics, Science, Special Education, or any other subject taught in the school during the school year.
- Judging is based on such factors as arrangements, theme, entry, eye appeal and creativity.
- Submit entries directly to the Secretary of the Fair. Premiums will be paid to the school. Regular judging will be used for this class.
- School booth spaces are on tables and are 40 inches wide by 47 inches deep by 47 inches tall.
